To whom it may concern,

Dear Sirs,

Company Reference
Package: Façade Installation

I have worked with Bulgroup Limited for the last 3 years on various projects undertaken on behalf of JRL Group Limited.

Throughout the course of construction, Bulgroup Limited employees displayed a high level of professionalism, experience, dedication and commitment to quality.

Bulgroup Limited did a good job of cultivating a ‘team work’ orientated atmosphere and worked well with the project team to find solutions to problems and overcome numerous challenges during the course of installation.

I highly recommend Bulgroup Limited as a façade contractor.

JRL Group Limited has worked with Bulgroup Limited on numerous projects, and has selected them as the preferred façade subcontractor on two new projects that has just broken ground.

Please feel free to contact me with any questions or to further discuss my experience working with Bulgroup Limited.

Yours faithfully,
For and on behalf of Midgard Ltd
